## Assumptions

- It is surmised that Michael Turner was involved in the plot for all of the comic books in the Fathom and Soulfire Series. Also, based on information received from Aspen Panels at comic book conventions, Turner being involved in the plot development for Shrugged is assumed as well.
- The Prints, Posters, Clothing and Trading Cards do not have CP indicated since Michael Turner did the original pencils for these.
- Wizard Michael Turner Millennium Edition – used as a reference for Plot information.

## Notes
